

Senior Lawyer - Investment Funds (m/f/d)

We are different from other law firms in the way we think, work and behave. Global in our outlook from the beginning, for 10 consecutive years we have been named as the world's strongest law firm brand by Acritas, underlining our dedication to being the best. We know the value of our talent in sustaining this success and so we're committed to offering the platform to nurture this talent.

We want individuals who can combine an impressive academic track record with excellent technical skills. But personal qualities are also important to us, so we're only interested in people who can bring clarity to complex situations, are committed to excellence, and are good problem solvers. We also want people who are comfortable working in diverse teams where friendship is valued.

We actively promote a culture of learning within the Firm, as employees are encouraged to expand their knowledge and expertise throughout their careers – this culture of learning is underpinned by our comprehensive Development Framework.

Our world-class learning programs will help you develop as far and as fast as your talents and drive will take you, be it at entry, associate or partner level.

You will be part of a dynamic industry leader that invests heavily in the development of our people, both in the area of personal development and career advancement.

Baker McKenzie Luxembourg is looking for a Senior Associate, to participate in the development of our Investment Funds & Asset Management practice.
