

# Junior Tax Lawyer

An open and energetic atmosphere together with a personal approach - at Simmons & Simmons Luxembourg, we like to do things differently. We're part of a large international network with offices in 20 countries, yet our approach is entrepreneurial, innovative and all about putting people at the heart of our business. We're a team of 40 amazing people, servicing clients within the Asset Management & Investment Funds and Financial Institutions sectors. Simmons & Simmons is uniquely positioned to provide premium sector-focused advice to some of the world's leading companies, Financial Institutions, Funds and Supranational Organisations.

*Need a change? Willing to be a member of the dynamic and fast-expanding Luxembourg-based team of an international business law firm? We are looking for: a [Junior Tax Lawyer](#).*

## YOUR ROLE

- Provide tailor-made tax advice to a wide range of clients, both implemented locally and internationally, in the investment funds, private equity, real estate and banking sectors;
- Assist the team in providing clients with services in the field of direct and indirect taxation as well as tax litigation matters;
- Work in close collaboration with the other departments, foreign offices and liaise with clients and tax authorities;
- Preparation and presentation of internal and external presentations but also preparation of publications in well-known tax magazines; and
- Observe regulatory developments linked to tax matters and assessment of the related impact for the tax practice and its clients.

## YOUR PROFILE

- Experience : 2+ years of experience in the Tax department of a Luxembourg law firm or a big four.
- Qualification :
  - Graduated from university in Law, any additional tax law focus, economics or finance background would be an asset;
  - Admission to the Luxembourg Bar or any other European Bar would be an advantage (but is not a prerequisite);

- Languages : Fluent in English and French, German/Luxembourgish considered as an asset;
- You are dynamic and eager to play an active role in a human-sized team. You can work independently, efficiently with a positive mindset and team spirit.

## WE OFFER

- Working on ground-breaking deals for top-tier clients. The range, calibre and international scope of our deal-flow is unique - and makes us stand out from our competitors;
- Winning clients and work is not just the job of senior lawyers. We expect you to be **entrepreneurial** and **business minded**. Involvement in business development and creation of your own relationships with clients are valued and encouraged;
- From day one, you will be slotted in to have a chance to make a real difference through the work you do and we will support you with legal and soft-skills trainings;
- An international and multi-cultural team and a focus on team work;
- A young, dynamic and entrepreneurial team;
- The ability to grow your network, locally and internationally;
- Working in an integrated international law firm on cross-border deals;
- Possibility to be also involved in local and international initiatives and pro bono activities; and
- The support and coaching from experienced colleagues.
