The legal industry is changing, and we're committed to leading that change, putting our people first, embracing new ways of thinking and integrating technology into our everyday work.

With us, you will constantly be learning and growing. We provide our people with the space to unleash their potential and develop on their individual career journey, recognising that it may look different for everyone. We offer exceptional professional and personal development – providing training, mentoring and practical support. We have a powerful commitment to diversity, equity and inclusion, and whatever defines you, we ask you to bring your whole self to work. A career with us provides a platform to open doors and brings opportunities you won't find anywhere else.

What truly defines a career at Allen & Overy? We recruit the best and ask for the best of you. We provide challenge, support and a place for you to belong. And together we excel.

### Department purpose

Our International Capital Markets (ICM) department specialises in international capital markets work including securities law and capital markets regulation and stock exchange listings, as well as asset backed structures. You will join a dynamic team advising amongst others investment banks, alternative investment funds, international commercial banks, governments and public entities requiring advanced legal advice for complex operations.

### Training contract

An internship contract for an internship of, at least, 4 months in our International Capital Market department which is covered by an internship agreement starting in September 2023.

### What we look for

You are currently preparing for a Master in Law, LL.M, or preparing for a Bar in any European jurisdiction.

You are looking for an internship as part of your Master's degree, gap year, or your PPI at the French Bar (this is not a CCDL traineeship)

You have strong analytical skills, attention to detail, and a strong interest in Banking and Finance law

Fluent in French and English, with good writing skills in both languages, as you will work on international matters.

### Why Join Us

Joining Allen & Overy means becoming part of a globally renowned law firm with a collaborative and inclusive culture. As an intern in our ICM department, you will have the opportunity to learn from experienced lawyers, enhance your legal skills, and develop a deep understanding of banking and financial regulations in an international environment.
