

GSK Stockmann is a leading independent European corporate law firm with over 250 professionals and offices in Germany, Luxembourg and the UK. Drawing on wide-ranging expertise, our dedicated teams find individual solutions for clients' needs. Our advice combines an economic focus with entrepreneurial foresight. That is what is behind: **Your perspective.**

We are looking for a **Knowledge Lawyer (m/f/d)**:

Responsibilities:

- lead the development, implementation and communication of the GSK knowledge strategy;
- identify and promote efficiency to improve our GSK knowledge in the different departments of our law firm, by contributing to best practises in operations and innovations in our legal process;
- collect, draft, maintain, automatise and update the GSK library with model documents;
- take ownership in promoting and driving our internal knowledge group;
- identify training needs and develop training materials, including planning and delivery of internal trainings.

Profile:

- perfect command in English, a proficient command in French and German is a strong asset ;
- relevant experience as lawyer in a Luxembourgish law firm;
- interest in law, knowledge and use of legal technology in effective knowledge sharing;
- work to a high standard, show attention to detail;
- able to communicate and present effectively in a multi-cultural environment;
- work with the different business service's departments of the firm; and
- motivated, organised, proactive and flexible individual with the ability to work both autonomously and in a team.

We offer:

- an attractive remuneration adapted to your qualifications, experience and performance;
- a multicultural working environment in a young and dynamic department working as a close team;
- training and development opportunities.

Please forward your CV and application letter in English to the attention of:
