LAW FIRM

## Career is more than work, It's about people.

At Stellan Partners, people are at the heart of everything we do. We are a highly reputable independent Luxembourg-based law firm committed to delivering high-quality, business-minded legal advice. Located in the dynamic finance and insurance district of Leudelange (South-West Luxembourg), we advise asset managers, investors and entrepreneurial platforms on the structuring, launch and scaling of investment vehicles across Europe. Our Clients are primarily based in US, Europe, Latam and Asia.

Our multidisciplinary expertise combines deep local strength with a strong international outlook, offering tailored, forward-thinking solutions, in a constantly evolving legal landscape, that transcend traditional boundaries.

Built on trust, quality, and clarity, we foster long-lasting partnerships and a collaborative culture driven by entrepreneurial spirit, a genuine commitment to client success and core values.

**Following our continued growth, we are currently looking for an Alternative Funds Lawyer (4 years' experience) for our Investment Funds practice / Un Avocat spécialisé en Fonds d'Investissement (4 ans d'expérience).**

### Our Mission:

We are building a high-performance Luxembourg funds platform focussed on alternative investments, private capital and cross border investor structuring.

### Your Mission:

In close collaboration with our Head of Practice, you will contribute to the development of our Funds practice and work on a wide range of matters, providing legal advice to fund promoters and asset managers, depositary banks, central administrations, boards of directors, and other key stakeholders in the fund industry. The role is client facing and you will be actively involved in business development.

Your missions will include:

- Acting as day-to-day client contact for asset managers and investors.
- Advising clients on legal and regulatory matters related to alternative investment funds, drafting and reviewing fund documentation, and assisting with fund structuring and transactions.
- Monitoring regulatory developments, providing strategic legal advice to clients, and collaborating with multidisciplinary teams within the firm.
- Liaising with regulators and other external stakeholders, ensuring compliance with financial regulations and guiding clients through complex legal frameworks.
- Being a key contact for the client review, drafting and/or negotiation of contractual relationships
- Participating in the roll-out of investment funds business plan (conferences, articles, client events...)
