

Corporate Lawyer – Counsel Leading a Growing Practice

Trego Legal is a forward-looking law firm with a strong entrepreneurial spirit. Our team of 15 committed and detail-oriented professionals is driven by excellence and technological innovation. As part of our ongoing growth, we are seeking a Corporate Lawyer ready to take a key role in structuring, mentoring and driving our Corporate practice forward.

Your Impact

This is not a traditional “execution-only” role. You will play a central part in leading the team and shaping how we deliver corporate work.

You will:

- supervise, mentor and develop a team of junior lawyers and trainees;
- review and elevate the quality of all corporate documentation produced;
- proactively guide clients and propose pragmatic, business-oriented solutions;
- take ownership of complex corporate, M&A and restructuring matters;
- organise workflow, ensure efficiency and maintain high standards across the team;
- foster a collaborative, motivated and high-performing environment;
- act as a trusted point of contact for clients and help grow long-term relationships.

You will have real autonomy, direct client exposure and the opportunity to influence how the practice evolves.

Your Profile

- Luxembourg-qualified lawyer (or equivalent European qualification);
- Strong experience in Luxembourg corporate law / M&A;
- Natural leadership and willingness to mentor and structure a team;
- Excellent drafting skills and sound commercial judgement;
- Proactive, solution-oriented and comfortable taking initiative;
- Fluent in English and French.

An entrepreneurial mindset and interest in building efficient processes and a modern practice are strong assets.

Why join us?

- Human-sized, ambitious and fast-growing firm;
- Real leadership role and impact from day one;
- High-quality work with pragmatic, business-focused clients;
- Collaborative and respectful environment;
- Flexibility and room to build.

Additional Information

- **Contract:** Full-time (open to discussion), permanent (CDI)
- **Start date:** May 2026 (open to discussion)
- **Compensation:** Competitive, based on profile and experience
