

IP/IT Lawyer (2-5 years of experience)

INTELLECTUAL PROPERTY AND INFORMATION TECHNOLOGY – DATA PROTECTION – COMMERCIAL LAW

PRAGMA Law is a boutique law firm with a sharp focus on a select range of legal fields including data protection, commercial, IP, IT, digital, e-commerce and media.

Our firm is designed for the digital economy and our expertise spans Luxembourg, Belgian and EU law, as well as Benelux IP matters.

We are currently looking for a pragmatic, hands-on, and business-oriented lawyer to join our Luxembourg's office and work on **data protection, commercial** and **IP & IT matters**.

What we are looking for

- Lawyer / legal counsel with **2 to 5 years of experience** in relevant areas of the law;
- Fluent in **French** and **English**;
- A prior experience in Luxembourgish and Belgian law is a significant plus;
- **Entrepreneurial** and **commercial** spirit, you look for hands-on solutions that serve our clients' business goals.

What we offer

- **Varied and challenging cases** for both local SMEs and large international groups;
- A boutique atmosphere, with a **human-scale environment** where your **impact is measurable** and truly valued;
- Real **work-life balance** with flexible hours and remote work options;
- An **active role** in contributing to and expanding the firm's client portfolio; and
- A **competitive salary** package complemented by a performance-based bonus.
