

Associate Lawyer – Corporate M&A / Finance (3-5 years of experience)

Junior Associate Lawyer – Corporate M&A / Finance (up to 2 years of experience)

TS&P is a boutique law firm with over 40 professionals providing bespoke high-quality corporate, banking & finance, regulatory and tax advice, while always considering practical and commercial aspects.

This tailor-made advice is achieved with the support of an experienced team whose members have been working together for over a decade, creating strong and enduring client relationships built on trust. The team owes its long-lasting success and global market recognition to its unique common mind-set.

In order to support the growth of corporate and finance work for major asset managers, TS&P is seeking an **Associate Lawyer** and a **Junior Associate Lawyer** to join focusing on **Corporate M&A / Finance** work.

We offer:

- High-profile projects frequently of a transactional nature with an international dimension
- A dynamic, friendly working environment and team
- High-quality training and clients

Requirements:

- Relevant experience as a lawyer in corporate, M&A and/or finance
- Curiosity about legal developments in a complex and fast-changing environment
- Highest working standards and good organisational skills
- Excellent communication and drafting skills, as well as the ability to demonstrate initiative and proactivity
- Ability to multitask, set priorities and work within deadlines
- Strong analytical skills and a pragmatic approach
- Human qualities – open-minded and dynamic team player

Qualifications:

- Qualified lawyer (admitted to List I or List IV as a foreign lawyer)
- Relevant legal academic background
- Fluent in both English and German or both English and French
- Any additional language or experience will be an asset
